

Research Invitation

Are you a nurse or a midwife? Have you ever had experience in designing teaching content for University?
Then we would like to hear from you!

If you would like to know more about the project, please scan this QR code to access the plain language statement.

SCAN ME

This study explores the experiences of clinicians in participating in the co-design of nursing curriculum. You will be invited to an hour 1 to 1 interview if you agree to participate. All personal information and interview data are strictly confidential.

If you are interested or would like to know more, please contact the chief investigator below.

You will be reimbursed for your time with a \$50 e-gift card.

Hosu Ryu, Lecturer, School of Nursing and Midwifery, La Trobe University
