NURSE EXECUTIVE LEADERSHIP PROGRAM

Accelerate your nursing leadership career!

ACN's exclusive Nurse Executive Leadership Program is a career accelerator for ambitious nurses who want to strengthen their influence and command respect and recognition.

Whether you are already in an executive position or aspiring to become a nurse executive, this program will allow you to meet the requirements of the Nurse Executive Capability Framework and set you up for success.

Program participants receive unparalleled access to accomplished leaders through masterclasses with global and national thought leaders as well as mentoring with C-Suite Executives.

Program modules:

- Nursing leadership
- Nurses as strategic leaders
- Operational management
- Health economics and financial management
- Marketing and communication
- Clinical governance
- Human resource management
- Nursing in a technological and digital health era
