Funding under this scheme is available for study undertaken from semester one 2024. Studies completed prior to semester one 2024 cannot be funded under the scholarship.

GENERAL INFORMATION

Effect of other scholarships

You may accept and hold other scholarships under the scholarship but depending on what the other scholarships are intended to cover, the total funding of this scholarship may be revised based on additional funds received.

Assessment of course eligibility

ACN will use all resources available to determine the eligibility of your nominated course outlined in your original application. However, upon receipt of your enrolment evidence it may become apparent that your course does not meet the eligibility criteria of this scheme or is in fact more than one course. In this instance, ACN will contact you to discuss whether your scholarship may be withdrawn.

PAYMENT ARRANGEMENTS

Scholarship payments

Scholarship payments will be deposited into your account once the following has been completed:

- evidence of your course fees (such as an invoice) for that particular semester has been provided.
- Census date for that particular semester/trimester/term has passed
- Results for previous semester/trimester/term has been provided
- Proof of expenditure for previous payments has been provided.

Payments will not be made for scholarship recipients to repeat failed units.

You will be expected to provide proof of expenditure, such as a receipt to ACN within two weeks of the payment being deposited into your bank account. Bank statements, credit card statements and unpaid invoices are not acceptable proof of expenditure.

Scholarship places are not bonded. There is no return of service obligation once your scholarship is complete. Scholarship payments will not commence until all required acceptance documentation has been received by ACN.

Required documents must be received by ACN two weeks prior to a scheduled payment date in order for a payment to be activated.

Scholarship funds will not be paid if you have deferred your course.

Scholarship continuation

To ensure the continuation of the scholarship, you will be required to provide enrolment and results (or evidence of study) twice a year. You will be asked to provide this documentation in July and December of each year.

Repayment of funds

If you cease to fulfil the terms of the scholarship or fail to inform ACN within 14 days of any changes to your eligibility, the scholarship shall be withdrawn. Any remaining funding will be forfeited, and you will be required to repay funds received from the time you ceased to be eligible.

Failure to provide these documents will result in your scholarship being withdrawn and will require scholarship funds to be repaid.

Changes in mode of study

You may change from full time to part time study (or vice versa) during your course. However, your final awarded amount for the course will not increase.

Academic progress

ACN reviews the academic progress of all scholars each semester. You are expected to maintain satisfactory progress each year and to progress through your course within the normal course duration.

Change of circumstances

You are required to provide ACN with written advice of any change to your name, contact details, bank details, enrolment or other relevant information within 14 days of the changes taking place. Supporting documentation may be requested. If you fail to inform ACN of such changes, you will have ceased to meet the eligibility criteria and your scholarship may be withdrawn.

The maximum deferral period is two semesters, that do not need to be taken consecutively. Deferral is not available for part semesters, weeks or months.

You will not receive a payment during the period of deferral from study. **You must contact ACN to obtain a deferral form that is to be completed and returned to the scholarships office before commencement of the deferral period.** You are not required to justify the need to defer or give detailed reasons.

Once you have completed your course you are required to provide the following:

- evidence of completion of the funded course (either final results or a completion certificate).

Recognised prior learning (RPL)

ACN is only able to provide funding to scholarship recipients for subjects they actively study each semester. If you receive RPL, subjects included in RPL do not count towards your study load.

Changes in semester enrolment

If you change your study load at any time throughout a semester or course of study, you must notify ACN within 14 days of this change. Once notified, ACN will determine if your scholarship payments need to be altered to reflect this change. This includes for example:

- withdrawing from a unit/s of study
- enrolling in an additional unit/s of study
- withdrawing from units before your course provider census date
- being awarded RPL.

Withdrawal from course

If you withdraw from your course, you must relinquish your scholarship. You must provide ACN with evidence from your course provider confirming the withdrawal. This must be provided to ACN within 14 days of withdrawing. If you fail to provide this to ACN within 14 days, you may be required to repay funds received. You are eligible to apply for a new scholarship place in a future year.

Withdrawal of scholarship

Your scholarship may be withdrawn at any stage if you:

- provide incorrect information or withhold relevant information
- fail to comply with these terms and conditions
- you fail in the reasonable opinion of ACN to achieve satisfactory academic progress

Requests to change the course or educational institution for which you are awarded funding must be submitted to ACN in writing along with supporting documentation within 14 days. A scholarship place must be surrendered if you discontinue a course of study or enrol in a different course without prior approval.
