# let's talk LEADERSHIP

**AN EVENING** *with* **WENDY McCARTHY**

The Australian College of Nursing Institute of Leadership is proud to announce the Let's Talk Leadership series. The series highlights high profile leaders, who share their triumphs and lessons learnt. We are delighted to introduce Wendy McCarthy as the speaker at our next event. Tickets are available to all to further showcase nurses as leaders of key social, political and humanitarian issues.

Wendy McCarthy has made her mark on this country in many extraordinary ways. For more than 50 years, she has been on the leading edge of feminism and corporate and public life in Australia and her trail-blazing advocacy and leadership have made her a widely respected and revered figure. Wendy is

a woman who shaped her times as much as she was shaped by them, and now at 81 years of age, she shares her remarkable life and achievements, and the lessons she learned – and taught us all.

From sheltered country schoolgirl to relentless campaigner for abortion and contraception, from passionate teacher to lifelong advocate for education, to smashing that glass ceiling again and again and showing the way to subsequent generations of women, Wendy has championed change across the public, private and community sectors, in education, family planning, human rights, public health, overseas aid and development, conservation, heritage, media and the Arts.
